LAURENCE OLIVIER AWARD, 2004 ~ Best Performance in a Supporting Role in a Musical

JERRY SPRINGER THE OPERA – Chorus National Theatre & Cambridge Theatre/West End, London
World Première Company; Original Cast Album Martin Lowe, Music Director & Conductor

The Chorus of *Jerry Springer The Opera* was awarded an historic *Laurence Olivier Award* (=Britain's *Tony Award*), singing virtually non-stop for 2½ hours: *Baroque Fugue, TV Jingle, Opera, R&B, Musical Theatre...*sometimes while Tap Dancing.

"It is not easy: you need real singers, even – or rather especially – in The Chorus. The choral singing is amazingly disciplined, and I don't believe any commercial management could have afforded the rehearsal time needed for the musical preparation alone." ~ Rodney Milnes, Opera Magazine

"...here you follow even Chorus Members with a rare kind of fascination." ~ Alastair Macaulay, Financial Times
